

K-LOVE is a great commercial free radio station that is safe for the whole family to listen to at all hours of the day. It is encouraging and uplifting to hear the word of God and the wonderful things that He is possible of doing. My life has dramatically changed for the better since listening and contributing financially to K-LOVE. K-LOVE contributes in only positive ways to the community by informing us of low cost or free family entertainment. It also spreads a positive message on living your life as a child of God.

If K-LOVE was removed from the Chicago and other areas, and replaced with an LPFM broadcaster, the community suffer dramatically. I know that I would miss K-LOVE and all of the wonderful things it offers to my community. That would include free family-safe concerts, encouraging messages regarding family life and marriage, and God focused ministry, just to name a few. My family would also suffer because I would not be able to share the positive and encouraging messages that K-LOVE I hear while listening to K-LOVE.

K-LOVE is a very positive service and is in the best interest of the public because it is free and is very uplifting. K-LOVE does not infringe on any first ammendment rights nor does it harm those that choose not to listen to it. It is all about spreading the message of God and His love to all humankind.

Thank you,
